Wall Of Champions Guidelines

The Collie Wall of Champions has been developed to recognise and honour past and present Collie residents who have made outstanding achievements in their sport. It is both a recognition of individual achievement in a chosen field of sporting endeavour and a recognition of the contribution made in showcasing Collie's sporting achievements and sporting versatility.

1. Athletic (sporting) performance must have occurred consistently at the highest level available to the athlete.
2. Coaching will be viewed as a secondary consideration.
3. Performance as an administrator will not be deemed appropriate for induction purposes.
4. The athlete must be considered a product of the Collie sporting system.
5. The athlete must have been retired from the highest level of competition available to them for a period of at least five years.
6. Deceased persons are eligible to be nominated.
7. It is the responsibility of the nominator to ensure that all available supporting documentation and / or information is provided with the nomination form. The Shire of Collie may seek to verify information provided but will not undertake extensive research into the sporting achievements of nominees. Possible sources of information include:
    a. Nominees and / or their family members
    b. Family records
    c. Photographs
    d. Club / Association records (local, state and international as appropriate)
    e. Media articles
8. Incomplete nominations will not be considered.
9. A nomination will remain current for the year of nomination. An unsuccessful nomination can only be reconsidered if resubmitted in subsequent years with additional supporting information or if relevant due to updating of the guidelines.
10. Accepted nominations will be considered by a Sports Awards Selection Panel appointed by the Shire of Collie.
11. Nominations will be assessed according to the standards of the era in which the athlete was competing.
12. Nominators will be advised of the results of the Panel deliberations.
13. All sections of the nomination form must be filled in where applicable to the fullest extent possible.
14. Where the sport for which the athlete is being nominated is still operating within the Shire of Collie, the nomination must be supported by the respective club or association.
