**2. PUBLIC QUESTION TIME**

Nil

Cr Faries arrived at 7.02pm.

**3. RESPONSES TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE**

A couple of questions were taken on notice from the previous meeting of Council.

1. Monitoring of the Rivers Edge along Wagyl Bidi bike trail by Aboriginal Elders how is this assessed?

Response: -Aboriginal monitoring of a State Registered Place is required by the Aboriginal Heritage Act when the work includes significant ground disturbance including for the construction of the Wagyl Biddi on the banks of the Collie River. Monitors are nominated elders respected within the community to act in the best interest of the place and the indigenous community.

Monitoring is to assess if artefacts are being dug up or damaged, damage to culturally significant trees as well as the social value of the place. As such it is for the Shire to satisfy the monitors that the activity is respectful of the place to the satisfaction of the monitors. If they are not satisfied, monitors can refer the work to the Department of Planning, Lands and Heritage for the Shire to seek a Section 18 approval from the Minister for work to be carried out. Assessment is intensive and costly and approvals can take up to 2 years.

2. How has an overpayment to Sizzles Deli occurred?

Response – Sizzles Deli paid an invoice twice in error for their non-residential waste collection and the overpayment was refunded.

3. Granite Boots Specifications/Requirements for PPE?

Response – These boots were sourced following an incident at the tip where an employee's boot & foot was penetrated by a nail around 3years ago.

The Granite 2 boot by Mack boots is a specialist safety boot with increased penetration resistance and can resist a nail applied at 1,100N force

These boots are only available to Transfer station employees and there is a hold point in the finance system on the supplier requiring OSH officer approval before an order can be placed.

We have tried to source an equivalent boot locally without success.

All other regular safety boots are purchased locally.

**Report Purpose:**

**To endorse the draft Corporate Business Plan 2017/18 – 2021/22 for a period of public consultation.**

**Moved: Cr Miffing**

- 2. advertises the draft Corporate Business Plan 2017/18- 2021/22 document for a period of public comment for a minimum of three weeks.**

**CARRIED 10/0**

**Background:**

On August 2010, the Minister for Local Government introduced regulations which establish new requirements for the Plan for the Future under the Local Government Act 1995 (Act). Under these regulations, all local governments in Western Australia will be required to have developed and adopted two key documents by 30 June 2013: A Strategic Community Plan and a Corporate Business Plan – supported by informed resourcing and delivery strategies.

Councils are also required to undertake a comprehensive review of these documents on a four yearly basis with minor annual reviews and the Council's Strategic Community Plan 2017-2027 document was adopted by Council at its 3<sup>rd</sup> October 2017 meeting.

The Corporate Business Plan itself will be underpinned by and will link through to, a range of supporting and informing policies, strategies and plans. These include strategic risk assessment, operational or service delivery plans, operational risk assessments, performance indicators, and key informing strategies such as Workforce, Asset Management, and Long Term Financial Plans.

The Corporate Business Plan, may be a single document setting out the key priorities, projects, services and activities of the local government, relevant resource requirements and summary performance measures. It may also be a number of interrelated separate documents supported by an overarching summary.

SHIRE OF COLLIE  
**MINUTES - ORDINARY MEETING OF COUNCIL**  
Tuesday, 17 April 2018

---

The Council has engaged Localise to develop both the Corporate Business Plan and the Community Strategic Plan and the development of these documents has included workshops with Councillors and staff as part of the process as well as community engagement in the early stages.

**Statutory and Policy Implications:**

The Local Government (Administration) regulations requires (amongst other things) that;  
(9) A local government is to ensure that the electors and ratepayers of its district are consulted during the development of a strategic community plan and when preparing modifications of a strategic community plan.

**Budget Implications:**

The engagement of Localise is within the financial parameters established within the Council's 2018/19 Annual Budget.

**Communications Requirements:** (Policy No. CS 1.7)

The previous Corporate Business Plan 2013 was not advertised for public comment; however it is suggested that it is appropriate to advertise the Corporate Business Plan 2017/2018 document for a period of public consultation.

**Strategic Plan Implications:**

The Council's recently adopted Strategic Community Plan 2017-2027 and other informing plans which have been developed.

**Relevant Precedents:**

Council endorsed its Strategic Community Plan 2017-2027 in October 2017.

**Comment:**

The draft plan has been dispersed by email to elected members for perusal prior to the meeting. Any suggested changes can be incorporated into the document prior to advertising the documents availability to the broader community.

It is envisaged that the Long Term Financial Plan will be available for Council consideration as part of the final adoption of the Corporate Business Plan document. The Workforce Plan will follow once these have been adopted by Council.

  - b) annual lease amount payable be \$1 per annum incl GST; and
  - c) other conditions to be in accordance with Council policy DS 1.5.

While establishing the lease area for the renewal of the lease, it became evident that the club rooms have been extended to intrude into Reserve 30927 [Lot 2019 Coombe St] which is currently vested in the Shire of Collie for the purpose of Shire Housing and does not have power to lease. Prior to renewing the lease it will be necessary to have the vesting of Reserve 30927 changed to the purpose of Recreation with power to lease. The cricket practice nets are also located on this reserve so the change to Recreation use is appropriate.

*Action 5.1.5.5 Ensure formal land use agreements are in place for all third parties who operate from Council reserves in accordance with Council Policy.*

**Relevant Precedents:**

Council approved this vendor for a 12 month period of trading at the same time last year for a 12 month permit.

**Comment:**

The approval of mobile food premises provides a retail market that for limited periods of time on a regular basis provides for a market that differs from the tenancy-based businesses in town. A mobile food premises is required to comply with the Competition Principles Agreement (WA) and the Shire of Collie Activities in Thoroughfares and Public Places and Trading Local Law 2012.

This business has visited Collie weekly on a regular basis for a long period of time and is demonstrated to be very popular via social media community pages with residents and community members.

Minimal complaints are received regarding the music played by the ice-cream van, and in the few individual circumstances that have been recorded it has been satisfactorily resolved, with the vendor and the complainant, for example, removing certain streets from the route where residents do not want to be attended.
