

Development Provisions

1. The structure Plan does not constitute subdivision approval. Subdivision will need to be separately applied for.
2. This amended structure plan is to be read in conjunction with the Approved Coolagata Industrial Estate Structure Plan dated 20/8/2010
3. The proposed use is permitted within the Structure Plan Area :
 - Automated Machinery and Equipment Demonstration and Training Area
- 4) As a condition of development approval, the Shire of Collie may impose conditions relevant to the following matters:
 - A Dust Management Plan is to be prepared and implemented;
 - A Storm water Management Plan is to be prepared and implemented;
 - Site / Building works Operations Management Plan relating to the proposed Automated Machinery and Equipment Demonstration and Training Area

Legend

- Structure Plan Boundary
- Proposed 2 Hectare Water Dam
- Strategic Coal Stockpile
- Clean Water Storage Dam
- Contaminated Water Storage Dam
- Road
