HANSEN, Brett

I have lived my entire life in Collie and have watched my family grow in the town.

I am an active member of the community through various leadership roles on the Collie Men's Darts Association, Collie Eagles Football Club and Collie Cricket Association. I'm a big believer in putting back into the communities I've been involved in because I want to ensure others are able to get as much out of them as I have been lucky enough to.

Sport, and particularly junior sport, is a passion of mine and will do everything I can to help it remain the backbone of community. It is always great to see young people learn skills that not only help them on the field but also in wider life.

I want this town to continue being a place where families can find secure work in order to live and grow.
