

Candidate Details

District	Shire of Collie
Candidate Name	Elysia HARVERSON
Ballot Paper Name	HARVERSON, Elysia
Nominating for	Councillor
Election Type	Ordinary

HARVERSON, Elysia

I am seeking your vote to serve a second term as a Collie Shire Councillor. I have thrived in this role over the past four years and pride myself on making fair, informed decisions with the best interest of our community in mind.

I'm proud we have managed the Council's finances efficiently, by keeping rate increases to a minimum while ensuring essential services continue and new projects develop.

Over the past 12 months the Council has focused on economic stability for Collie's future. I believe we need to diversify our economy while supporting our coal and energy industries as long as possible. I've also been very supportive of business and development applications that have come through Council.

But there is more to be done and I hope to continue to serve on Council as I have always done - with honesty, integrity and transparency.
