Candidate Name	Guisseppe ITALIANO
Ballot Paper Name	ITALIANO, Joe
Nominating for	Councillor
Election Type	Ordinary

ITALIANO, Joe

I am about to complete my first term on Council, and seek a second.

During my first term I've used skills gained while WA Regional Manager for Rural Press/Fairfax Media to focus on areas where I can have influence, such as local job creation, buying, planning and budgeting. I believe in keeping rates down and fully utilising Council resources.

I have served on a number of committees. I chair the Townscape, Weeds and Waterways, Access and Inclusion and Museum Transition committees.

Despite our challenges, Collie has an exciting future but we need councillors who pull together to ensure the best possible outcomes. I believe my local interests, long term commitment to Collie and track record enable me to be an effective voice on council.

I urge all to use their vote and ask you to consider giving me your support. If re-elected I will work for all ratepayers.
