MIFFLING, Ian

Currently I am your Deputy Shire President and believe I have contributed to my role as a Collie Shire Councillor to the best of my ability and always with honesty and fairness in my decision making processes. With your support I would like to continue as one of your elected representatives on the Council. As we know Collie is in a process of change. Much more work is required in this area and with your support I can assist in meeting our future challenges. We can all make Collie an even more vibrant community both economically and socially. There have been many improvements within the district over the past few years; Central Park, cycle trails, road and footpath upgrades just to mention a few and it is my wish to see even more improvements in the future. I promise to work hard on your behalf to build a better future.
