

# Minninup Pool Foreshore Day Use Area Upgrade

The Minninup Pool Tourism Precinct Development is progressing in accord with the Minninup Pool Demand and Pre-feasibility Study prepared by Brighthouse that was endorsed by Shire of Collie Council in December 2019.

This report recommended the Minninup Pool Day Use Area (comprising the pool foreshore and Sandy Beach) to be redeveloped as Stage 1. Vicki Winfield and Associates Pty Ltd have been engaged to work closely with the project management group, to prepare proposals for the Minninup Pool Day Use Areas (main pool, Sandy Beach and the Rowing Club) with emphasis on the following key points.

- The redevelopment primary focus will be on providing for the Collie community and will also encourage visitors to the area.
- The naturalness and beauty of the area will be retained and enhanced while treatments will be planned that will protect, reinforce and sustain fragile and worn areas.
- The significance of Minninup Pool to the local Noongar Community is acknowledged and will be incorporated into proposals for the area.
- The connection of Minninup Pool to new trails and trail networks will be integrated into proposals.
- Signage and interpretation will be a part of the proposal.

The popularity of Minninup Pool to the local community has already been recognised through past community consultation and we are now seeking further information on how the area is used so proposals can better provide for current users. We are also interested to hear of any stories or messages about the reserve that you would like to share with visitors.

To provide further input to this project go to the Shire of Collie your say website <https://yoursay.collie.wa.gov.au/minninup-pool> and either provide comments on the guest book or complete the online survey there before **9am Monday 22<sup>th</sup> June 2020**. A hard copy of the survey can be requested from the Katya Tripp at the Shire of Collie. Hard copy surveys should be returned to the Shire of Collie front office or emailed to [colshire@collie.wa.gov.au](mailto:colshire@collie.wa.gov.au). Information from previous surveys and meetings will be used and built upon to further inform the design of the day use areas.

Once draft proposals have been prepared they will be shared with the community for comment. Please look for them on the Shire of Collie website and Facebook page in approximately two months or contact Katya Tripp at the Shire on 9734 9000.

Thank you for your interest.
