Nominating for	<b>Councillor</b>
Election Type	<b>Ordinary</b>

---

## HARVERSON, Elysia

**I've served on Council six years, priding myself on making fair, informed decisions with the best interest of our community in mind.**

**Priorities have focused on economic stability for Collie's future. We need to diversify our local economy by backing new business opportunities, while supporting existing industry.**

**I'm proud to have managed Council's finances efficiently, keeping rate increases to a minimum while ensuring essential services continue and new projects develop.**

**There is more to be done and I hope to continue to serve on Council as I have always done - with honesty, integrity and transparency.**

**I was instrumental in the launch of the Collie Bulletin newspaper last year, which has become a great asset for Collie.**

**I ask for your vote to continue my passion of serving my community.**
