I'm 60 years of age, born and bred in Collie and have been lucky enough to watch my daughters and grandchildren grow in the town. I have been a councillor for the past 4 years and have chosen to re nominate as I thoroughly enjoyed my first term and I feel I have further aspirations I would like to fulfill. I have been an active member of the community through various leadership roles in sporting clubs. I'm a big believer in putting back into the communities I've been involved in because I want to ensure others are able to get as much out of them as I have been lucky enough to. Sport is a passion of mine and I will do everything I can to help it remain the backbone of the community. It is always great to see young people learn skills that not only help them on the field but also in wider life. Keeping the young generation of Collie employed, obtaining their employment, bringing new businesses to town and maintaining current businesses will be a focus of mine.
