We have lived at Worsley since 2010. I am self employed and am currently transforming an existing building to be a small boutique accessible and pet friendly short term accommodation provider.

I am a member of the Friends of Worsley Community Group, Our Community Garden Collie, Worsley Bush Fire Brigade and am an active Justice of the Peace. I grew up on a cattle station in the North West of WA and have a background in agriculture, mining, safety and tourism.

I enjoy the outdoors and appreciate the growing facilities that Collie offers. There is a wide demographic in our community that requires a multi faceted approach by council.

I believe that as a small but growing and vibrant shire we need to focus on maintaining the rate payers' facilities as well as what is offered to tourism which is becoming a bigger part of the daily life of our town.

I support:

fiscal responsibility by council

domestic animal/wildlife welfare

responsible/sustainable recycling and rubbish disposal.
