It has been a pleasure to serve our community as one of your local government Councillors over the past number of years and particularly in my current role of Deputy Shire President. Collie has undergone much change over recent years as we transition into a new economic space. New industry and business are vital for our continued prosperity and equally we must ensure that our community is afforded the best facilities that our Council's constrained budgets can provide. I will always advocate for what I believe is in the best interest of our community as a whole and I will always listen to residents' concerns. A vibrant and happy community is what we all strive for and with your support we can deliver such an outcome. The needs of our children and youth, business and working community and our seniors and retirees all need consideration and I will do my very best to ensure they are recognised in all my deliberations at the Council table. I would greatly value your support on election day.
