

Candidate Details

Ballot paper name	ROBERTS, Kerry
Candidate name	Kerry ROBERTS
District	Shire of Collie
Nominating for	Councillor for Shire of Collie
Election type	Ordinary
Enrolment status	ROBERTS, Kerry is eligible to stand for election as a resident of the Shire of Collie.

Having grown up in Collie and attended Amaroo Primary School and Collie Senior High School I have a desire to serve the community of Collie in whatever way possible.

My expertise and experience Internationally as well as locally allows me to understand the challenges we face as a community and what we need to address to help our town thrive short and long term.

Collie is a great place to live, visit, bring up children and attract big and small business that is essential for our town to succeed long into the future.

I have good communication skills along with organisational ability together with financial management expertise. My family were successful small business people with my Mother operating the Rosedale Florist many years ago. My value set, desire, and passion for Collie are things I hold dear. My hope is that as a Councilor I will serve all members of the community and assist in the future successes of our great town.
