Hi my name is Andrew Cayzer and I am standing for one of the 4 positions for council

at this election. even though I am new to collie I can see how vibrant a community there is here and I would like to be part of the continuing focus on improving the area and lives of residents .during my working life I owned many businesses and believe that having done that will make me an asset to the community. since moving to collie I have joined many community groups taking on roles of secretary/ treasurer in a few .i have always had an interest in community work and look forward to representing you if elected
