Dangerous Goods Incident Collie Mineworkers Memorial Pool

The Shire of Collie would like to advise the community that the investigation conducted by the Department of Local Government, Industry Regulation and Safety into the 16 March 2025 chlorine gas incident at the Collie Mineworkers Memorial Pool has been completed, with the investigation officially closed with no further action.

The Shire would like to acknowledge and thank its employees for their response and professionalism both during the incident and the re-opening of the pool.

Phil Anastasakis
Chief Executive Officer
